# Paracetamol

500 mg · Tablet

**ON YOUR LIST**

[Dose note set by caregiver]

Tap anywhere to hear it again

**Repeat**

**Scan again**

**NOT VERIFIED**

**Do not rely on  
this result.**

MedSight could not match this  
medicine to its list.

**WHAT TO DO**

Try again in brighter light,  
with the label facing the  
camera.

Or ask someone you trust to  
check it.

 **Repeat**

 **Try again**

# No internet

MedSight needs internet to  
identify medicines.

**Open history**
